A creative problem-solving organization focused on collaboration & action

Thobson is a global IT solutions company with over 18+ years of experience and about 40+ employees. We provide full-cycle services in the areas of networking, design & development, infrastructure integration solutions, software development, web-based enterprise solutions, web applications, portal development. We combine our solid business domain experience, technical expertise, profound knowledge of latest industry trends and quality-driven delivery model to offer progressive, end-to-end solution.

Being the leading Managed Infrastructure Solutions Provider, we're justifiably proud of our reputation for providing breakthrough thinking, innovative solutions and solid results for some of the world's most admired companies and organizations.

We've facilitated over 14,000+ projects, representing more than 9,000 organizations. It's this industry experience and our dedication to quality and consistency that has helped us to build loyal client relationships. See our partial client list.
