Shah Thobani

President and Chief Executive Officer
The Thobson Group Of Companies

“ Thank you for being part of the growing number of quality conscious customers who have chosen THOBSON as an essential step towards their business growth. ”

As a global organization, We now have moved into an era of next-generation IDEAS, where commitment to not only visualize on, but also the practical implementation and delivering true results is becoming a reality.

We have invested for years and years, not only in recruiting and developing the best expertise, but also in creating and collecting a huge reservoir of the world's best ideas. Combining these allows us to provide exponential added-value to our client's organization. I am convinced that in our profession, it will always be important to have the best people. However, the challenge is to leverage on what the best available professionals can do for the clients. Arming them with our library of best ideas makes it possible to realize.

In a way, by creating maximum value for our clients in "Orchestrating Business Excellence," we are reshaping our own industry at the same time. We emphasize the fact that our customer's and business partner's successes is Thobson's success. There is one thing that serves to unite us. That the future belongs to the progressive and aggressive Corporate Customers. One that's not afraid to embrace change and challenge. One that's willing to be different. We salute the brave customers that we support.

The sole purpose of a Service company is to create growing sustainable value. At Thobson, we are totally focused on this purpose. In order to close this gap, we must first deliver strong short-term results. Of course, we will not stop there. We will further improve perceptions of our long-term potential via transparent communications.

A company cannot completely avoid all the ups and downs in its performance. But it should learn from past mistakes and never make them twice; this behavior is part of Thobson. We are committed to gaining the trust of our valuable customers and delivering superior performance.

Our Products

The more than hundred quality products we market under our portfolio of brands are a crucial competitive asset, delivering customer satisfaction and performance second to none. Innovation is the driving force that propels our growth. Each year, we add new ideas, solutions, technology enhancement and offerings.
