A creative problem-solving organization focused on collaboration & action

Thobson is a global IT solutions company with over 18+ years of experience and about 40+ employees. We provide full-cycle services in the areas of networking, design & development, infrastructure integration solutions, software development, web-based enterprise solutions, web applications, portal development. We combine our solid business domain experience, technical expertise, profound knowledge of latest industry trends and quality-driven delivery model to offer progressive, end-to-end solution.

Trouble-Free Uptime Reliability

Thobson ensures that our reliable 99.99% uptime* rating and automatic backup and restore give you peace of mind knowing your online presence will be consistent and dependable

Email Filters & Virus Scanners

Our Shared Hosting Plans include Spam Assassin and Custom Filters so that you only get the wanted emails and get rid of the Junk, Spam and Unwanted emails.

When Performance Matters

With Thobson hosted infrastructure, it is faster than ordinary hosting with better processing power and more memory.

Not Technical? Not A Problem

Thobson hosting requires no server administration skills. Thanks to a simple, easy-to-use control panel and our powerful knowledge base backed up by 24/7 support.

Peace of Mind

With Thobson Hosting, you get powerful server resources to handle high traffic, data-intensive or eCommerce websites. You'll sleep easy knowing your customers can use your site 24/7 with no problem.

Money Back Guarantee

Backed up by our 100% Money Back guarantee*, you have the peace of mind and a trust that your website and domain is in right hands.
