A creative problem-solving organization focused on collaboration & action

Thobson is a global IT solutions company with over 18+ years of experience and about 40+ employees. We provide full-cycle services in the areas of networking, design & development, infrastructure integration solutions, software development, web-based enterprise solutions, web applications, portal development. We combine our solid business domain experience, technical expertise, profound knowledge of latest industry trends and quality-driven delivery model to offer progressive, end-to-end solution.

Advanced Functionality

Host unlimited domains, create unlimited sub domains, email addresses, databases, FTP accounts, and private name-servers.

Includes SSD & RAID Protection

Our servers are amped up and ready to go with high speed enterprise SSD drives with RAID protection.

cPanel/WHM Available

Hit the ground running with the industry-standard and leading control panel.

Real-Time Monitoring

Real-time monitoring and 100% uptime guarantee that your business stays running!

Easy Scalability

We won't put your growth on hold. Upgrade your plan any-time without having to re-provision or re-install anything.

Personalized Managed Services

We take care of software patches, security monitoring, backups and more so you can focus on your business
