Reseller Hosting Plan

The Reseller Hosting Plan gives you the ability to host and manage multiple domains within one hosting plan and the best part is you can grow as you need. Just start with the smallest plan and you can divide your space and resources among your sub-accounts or sub-domains.

STEP 1: Choose a Base Plan

Space Options	Price Per Month
1 GB Disk Space	\$2.5
3 GB Disk Space	\$3.5
5 GB Disk Space	\$5

STEP 2: Choose a Number of Hostable Sites

Hostable Domains	Price/Month/Domain	Total Monthly Price
5 Domains	\$1.25	\$6.25
10 Domain	\$1.00	\$10.00
15 Domains	\$0.90	\$13.50
25 Domains	\$0.75	\$18.75

You have to choose one plan from both the tables above and calculate your final prices.

Hassle FREE Hosting Special Designed for Reseller and Hosting Companies who doesn't want to get involve into the technical details and would only like to concentrate on the their Business Infrastructure. This package has a long list of features combined with the flexible and scalable disk allowance and the power to manage everything in clicks.
