*We Perform, You Achieve*

Thobson has been providing effective and scalable design, development and infrastructure integration solutions for over a decade with a sincere commitment to customer satisfaction. Thobson is an interactive agency producing high-end web, branding, print media solutions.

## A creative problem-solving organization focused on collaboration & action

Thobson is a global IT solutions company with over 18+ years of experience and about 40+ employees. We provide full-cycle services in the areas of networking, design & development, infrastructure integration solutions, software development, web-based enterprise solutions, web applications, portal development. We combine our solid business domain experience, technical expertise, profound knowledge of latest industry trends and quality-driven delivery model to offer progressive, end-to-end solution.

### All the storage you need

Start with 30GB of online storage per user. Upgrade to our unlimited storage plan for an additional \$5 per user per month.

### Advanced admin controls

Add and remove users, set up groups, and add security options like 2-step verification and single-sign-on (SSO), all from one centralized admin console.

### Mobile device management

Keep your company data secure with device management that allows you to easily locate devices, require passwords, and erase data if needed.

### Email@yourcompany.com

Send professional email from your business web address (you@yourcompany.com) and create group mailing lists like sales@yourcompany.com.

### 24/7 Support

Call or email Google support to get help from a live person whenever you need it. You can also find fast answers online in our help center.

### Easy data migration

Use our free migration tools to import old emails from legacy systems like IBM Notes or Microsoft Exchange. If you need help, just give us a call.

## Make Your Team Tick

### Gmail

Ease of use, security and speed of Professional Gmail on your domain name

### Calendar

Schedule meetings, collaborate on video calls and sync them all with your mobile devices seamlessly

### Sheets

Build, edit, and review spreadsheets online with all your stakeholders using this robust, feature rich editor. Data manipulation, reporting and sharing is now easy!

### Drive

Share files effortlessly over the cloud with advanced file management features, granular sharing permission settings and more

### Docs

Create, edit, and collaborate with others on documents hosted on the cloud. Enjoy  
\* real time editing with all the latest review and text editing features!

### Hangouts

Whether in office or at home, help your team stay together through audio and video meetings

## Domain Sharing Features

Now you can move partial users to Google without changing the DNS with our Dual Delivery eDiscovery Module. You do not have to change your MX to point all the users to Google, you can keep your Existing Exchange, or Lotus Domino, or MDAemon or existing Linux based Email server and only move fewer users to G-Suite.

## **We are here for you. Let's talk!**

Let one of our sales engineers take you on a live tour of Thobson from the convenience of your own desk.
